### **What Is The Program Description?**

The Division of Behavioral Health and Recovery works in conjunction with the Department of Corrections, Aging and Disabilities Services Administration, Juvenile Rehabilitation Administration and community stakeholders to advance and promote issues around co-occurring disorders. The main CODIAC committee meets five times each year across the state. In addition to the main CODIAC group, there is a Conference Planning Committee. Conference Planning Sub-committee currently meets bi-monthly, the schedule is available.

### **What Populations Are Served/ Who Is Eligible For These Services?**

The goal of CODIAC is to support the issues around COD, including policies, training, education and advocacy.

### **How Many People Are Served During The Biennium?**

Determining the number of people served is directly linked to how provision of services is defined. The CODIAC group in and of itself does not provide any direct service.

### **What Is The Biennial Funding Amount and Source(s)?**

NA

### **What Would Be The Impact If This Program Was No Longer Available?**

Services to persons with co-occurring disorders are already scarce. Having advocacy, education, and training is instrumental in the ability to provide needed services.

### **What Agencies Collaborate With DBHR To Deliver These Services?**

Division of Behavioral Health and Recovery, Division of Aging and Disabilities, Department of Corrections, Juvenile Rehabilitation Administration, and community stakeholders.
